Synopsis

HB2380 UTILITIES REPEAL EXTENSION *(WALSH L)*

Amends the Public Utilities Act. Extends the repeal dates of the Telecommunications Article and the Cable and Video Competition Article from December 31, 2021 to December 31, 2026. Provides that any cable service or video service authorization issued by the Illinois Commerce Commission will expire on December 31, 2029 (rather than December 31, 2024). Effective immediately.

House Committee Amendment No. 1 - Further amends the Public Utilities Act. In a provision concerning abandonment of service, provides for the procedure through which a Small Electing Provider may choose to cease offering or providing a telecommunications service. Defines "Small Electing Provider" as an incumbent local exchange carrier that is an electing provider, and that, together with all of its incumbent local exchange carrier affiliates offering telecommunications services within the State of Illinois, has fewer than 40,000 subscriber access lines as of January 1, 2020.

House Floor Amendment No. 2 - Extends the repeal dates of the Telecommunications Article and the Cable and Video Competition Article to December 31, 2024 (rather than December 31, 2026). Provides that any cable service or video service authorization issued by the Illinois Commerce Commission will expire on December 31, 2027 (rather than December 31, 2029).

House Floor Amendment No. 3 - Further amends the Public Utilities Act. In provisions of the Cable and Video Customer Protection Law concerning customer service and privacy protection, provides that notice of proposed termination shall be provided in electronic format or mailed (rather than mailed), postage prepaid, to the customer to whom service is billed. Provides that notice of proposed termination shall not be delivered or mailed (rather than mailed) until the 24th day after the date of the bill for services.

HB2784 MENTAL HEALTH-EMERGENCY *(CASSIDY K)*

House Floor Amendment No. 1 - Replaces everything after the enacting clause. Creates the Community Emergency Services and Support Act. Provides that each 9-1-1 call center and provider of emergency services dispatched through a 9-1-1 system must coordinate with the mobile mental and behavioral health services established by the Division of Mental Health of the Department of Human Services so that the following State goals and State prohibitions are met whenever a person interacts with one of these entities for the purpose seeking emergency mental and behavioral health care or when one of these entities recognizes the appropriateness of providing mobile mental or behavioral health care to an individual with whom they have engaged. Provides that the Division of Mental Health is also directed to provide guidance regarding whether and how these entities should coordinate with mobile mental and behavioral health services when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that 9-1-1 call centers, emergency services dispatched through 9-1-1 call centers, and the mobile mental and behavioral health service established by the Division of Mental Health must coordinate their services so that certain specified State prohibitions are avoided. Provides that the Division of Mental Health shall establish regional advisory committees in each EMS Region to advise on emergency response systems for mental and behavioral health. Provides that the Act applies to persons of all ages, both children and adults. Provides that the Act does not limit an individual's right to control his or her own medical care. No provision of this Act shall be interpreted in such a way as to limit an individual's right to choose his or her preferred course of care or to reject care. Provides that no provision of this Act shall be interpreted to promote or provide justification for the use of restraints when providing mental or behavioral health care. Amends the Emergency Telephone System Act to make conforming changes.

SB41 SMALL WIRELESS FACILITIES ACT *(HILTON S)*

Amends the Small Wireless Facilities Deployment Act. Provides that a wireless provider may be required to provide the following additional information when seeking a permit to collocate small wireless facilities: (i) a written affidavit signed by a radio frequency engineer with specified certifications; (ii) a written report that analyzes acoustic levels for the small wireless facility and all associated equipment; (iii) information showing the small wireless facility has received any required review by the FCC under the National Environmental Policy Act; and (iv) a certified copy of the original easement documents and other supporting documentation

demonstrating that the applicant has the right to install, mount, maintain, and remove a small wireless facility and associated equipment in specified circumstances. Provides that an authority may propose that the small wireless facility be collocated on an existing utility pole or existing wireless support structure within 200 feet (rather than 100 feet) of the proposed collocation. In provisions prohibiting an authority from requiring an application, approval, or permit or requiring any fees or other charges from a communications service provider authorized to occupy the rights-of-way for the replacement of wireless facilities with wireless facilities that are substantially similar, clarifies when changes are not "substantially similar". Provides that an authority may adopt reasonable rules requiring providers to place above-ground small wireless facilities and associated equipment and to replace larger, more visually intrusive small wireless facilities with smaller, less visually intrusive facilities. Adds provisions concerning radio frequency compliance. Makes other changes. Effective immediately.

Synopsis

SB222 SMALL WIRELESS FACILITIES *(CASTRO C)*

Amends the Small Wireless Facilities Deployment Act. Provides that an authority may require a wireless provider to include documentation and certification that the small wireless facility and location meets all FCC standards and regulations at the wireless

provider's sole cost and expense. Provides that an authority may require (currently, propose) that the small wireless facility be collocated on an existing utility pole or existing wireless support structure within 200 (currently, 100) feet of the proposed collocation, which the applicant shall accept if it has the right to use the alternate structure on reasonable terms and conditions and the alternate location and structure does not impose technical limits or additional significant costs (currently, additional material costs as determined by the applicant). Provides that an authority may require a wireless provider to comply with generally applicable standards, including acoustic regulations. Repeals a Section that repeals the Act on June 1, 2021. Amends the Illinois Municipal Code. Provides that a municipality may require that a small wireless facility be collocated on any existing utility pole within its public rights-of-way and the entity owning the utility pole shall provide access for that purpose. Provides that any fee charged for the use of a utility pole under the Section shall be at the lowest rate charged by the entity owning the utility pole and shall not exceed the entity's actual costs. Effective immediately, except for certain provisions.

SB2117 MENTAL HEALTH-EMERGENCY (PETERS R)

Creates the Community Emergency Services and Supports Act. Provides that the Act applies to every unit of local government that provides or coordinates ambulance or similar emergency medical response or transportation services for individuals with emergency medical needs. A home rule unit may not respond to or provide services for a mental or behavioral health emergency, or create a transportation plan or other regulation, relating to the provision of mental or behavioral health services in a manner inconsistent with this Act. Provides that one plan shall describe how the EMS Region will provide mobile emergency mental and behavioral health services to individuals who do not present as a threat to the responders, and are not involved in criminal activity at the time of the response. Provides that the plan shall conform to the requirements of the Act and, recognizing the variety of systems, services, and needs across the State, provide the specific requirements and guidance appropriate for that region. Provides that the plan shall be identified as the region's community emergency services and supports plan. Provides that the second plan shall describe the manner and extent to which responders operating under the region's Community Emergency Services and Supports Plan coordinate with law enforcement when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that the plan shall be identified as the region's Non-Violent Misdemeanor Coordination Plan. Amends the Emergency Telephone System Act to make conforming changes. Effective immediately.
